E-posters will be up on the PPTA website starting 08 December 2022. You are highly encouraged to go visit the corresponding website links to access the e-posters of our physical therapy researchers. You may also interact with them--ask them questions, comment on their work, or congratulate them through the Padlet feature in each poster. The research presenters will respond to your questions through Padlet as well.

RESEARCH ID CODE	PRESENTER	TITLE OF PRESENTATION
P01	Johanna Sabio	Transcutaneous electrical nerve stimulation as prophylaxis against delayed onset muscle soreness of quadriceps and gastrocnemius muscles
P02	Alfonso Addison Kalang-Ad	Transtheoretical Model Of Behavior Change And Motivational Profiles Among University Of Baguio Students Using Fitness Applications
P03	Er Jr Petil	Online learning in Physiotherapy education and Health Allied Profession during covid -19 Pandemic : A Scoping Review
P04	Rowena Alejo	Evaluation of YouTube as Patient Education Tool in Physical Therapy: A Scoping Review
P05	John Matthew Zarate	Cancer Rehabilitation Effects on the Quality of Life on Individuals afflicted with Cancer: A Scoping Review
P06	Maribeth Anne Gelisanga	Telerehabilitation for Impaired Functional Mobility and Balance Secondary To COVID-19-Induced Vestibular Dysfunction: A Case Report and Literature Review
P07	Maribeth Anne Gelisanga	Home-based Telerehabilitation for Community-dwelling Persons with Stroke in a Developing Country during the COVID-19 Pandemic: A Pilot Study
P08	Christopher Albert Baylan	Translation and Cross-Cultural Adaptation of Original Version of Kiddy-KINDL to Filipino Language in Assessing the Children's Health-Related Quality of Life (CHRQoL)
P09	Audrey Anne Esguerra	Exploring Behaviors Of Primary Carers, Teachers, And School Administrators In Active Lifestyle Promotion Among Children With Disabilities: A Scoping Review
